It is not possible in a brochure of this nature to do more than give a general impression of the range, quality and variety of the homes we have on offer. The artist's impressions, floor plans, configurations and layouts are included for guidance only. The house may vary in terms of elevational design details, position/size of garage, and materials used. Such changes are due to our commitment to creating homes of individual character, although similar to others. We operate a policy of continuous product development so there may be material differences between the accommodation depicted in our literature and that on offer on any particular development, or at different times during the progress of any development.

The Company therefore gives notice to prospective purchasers that none of the material issued or visual depictions of any kind made on behalf of the Company can be relied upon as accurately describing, in relation to any particular or proposed house or development of the Company, any of the Specified Matters from time to time prescribed by an Order made under the Property Misdescriptions Act 1991, which is effective from 4th April 1993. All such matters must be treated as intended for general illustration and guidance only. They are subject to change from time to time without notice and their accuracy is not guaranteed, nor do they constitute a contract, part of a contract or a warranty.
